

# 5 TIPS TO MAKE YOUR PHOTO BOOTH BUSINESS BETTER

**1**

Make all passwords the same on all your computers

**2**

Use the same software whenever & wherever possible

**3**

Try to only have 1 brand/model of printers (eliminate the chance of bringing the wrong paper/ribbon to an event)

**4**

Never offer clients more than 12 green screen background selections

**5**

Always use premium gaff tape when taping down cords (You do tape down your cords right?)

When you need more, always go to [www.howtophotobooth.com](http://www.howtophotobooth.com). We're here to help.
